

BRAND GUIDELINES

ABOUT

At CryptoSI Vest, we know that cyber-security attacks have increased now more than ever. We intend to strengthen your security systems at home and work. We offer the technical support and software tools you need to keep hackers away. Other services we provide include systems auditing, vulnerability consulting and analysis, managed services, and penetration testing. We work around the clock to meet each of your unique needs. With our protection, you can relax, knowing that everything you own is safe.

THE LOGO

Our logo is an integral part of our brand, and should be used thoughtfully and consistently. Our logo is often displayed in it's full-color format and in it's entirety.

LOGO VERSIONS

Our full-color logo is our primary colorway – but only use it when displaying the logo on a white background. When displaying the logo on a photo or colored background, use the white or black version.

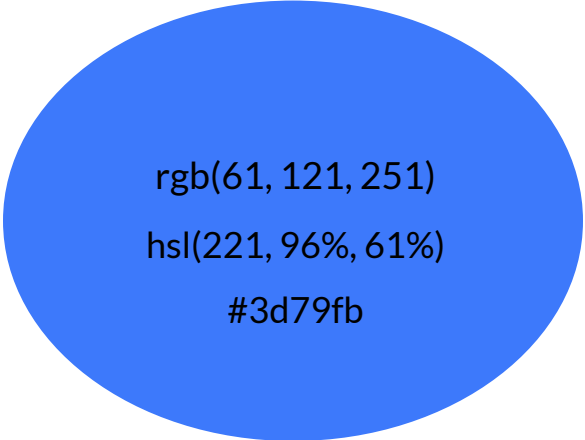

LOGO USAGE

Avoid rotating the logo, distorting it, partially covering it up, or displaying it directly on a photo

(Name of the body font)

Body font example. In publishing and graphic design, Lorem ipsum is a placeholder text commonly used to demonstrate the visual form of a document or a typeface without relying on meaningful content. Lorem ipsum may be used as a placeholder before the final copy is available.

APPLICATION

This is an example of how the logo and brand elements may be used in brand applications such as business cards.
